Speakers

Jeremy Browne

CEO – Canning House

From 2010 to 2012, Jeremy served as Minister of State for Latin America in the Foreign and Commonwealth Office. Since leaving elected office, Jeremy has served as the City of London Corporation's Special Representative to the EU, worked as an International Business Ambassador for Aberdeen Standard Investments (abrdn), and advised the environmental investment firm Renewity.

Adrià Canals

Head of Transportation Advisory – Arup

Adrià leads the Transportation Due Diligence team at Arup's Business and Investor Advisory Division. With over 25 years of experience, he provides strategic technical advice to private investors, infrastructure operators, and multilateral banks in transportation infrastructure. He is interested in integrating decarbonization strategies in all transportation modes and holds an MBA from London Business School and an MSc in Transport from UPC Barcelona.

Murat Dedeoglu

CEO – ERG International Group

Murat has over 30 years of experience in infrastructure and has held key positions in companies such as TAV Airports and Limak Investment. He has led international expansions, acquisitions, and efforts in energy, hydropower generation, and port operations. Since 2019, he has been leading ERG International's expansion program in Central Asia, Africa, Eastern Europe, and Latin America. Murat holds a BSc in Economics and an MBA from HEC Paris.

Karin Dinucci

ESG Technical Director – Mott MacDonald

Karen has over 18 years of experience in infrastructure projects, including highways, ports, airports, and energy, and worked in Brazil before joining Mott MacDonald in the UK in 2020. She has a background in biology and a Master's in ecology, and her expertise includes biodiversity and sustainable solutions that are cost-efficient and stakeholder-driven. Karen is currently a member of Mott MacDonald's environment and social team, and her portfolio includes major infrastructure and energy schemes in several countries.

Paul Dyson

Chief Executive Officer – Crossrail International

Paul is CEO of Crossrail International, where he oversees the establishment and management of the transport infrastructure advisory practice. He is a chartered civil engineer with 30+ years of experience in global infrastructure, with expertise in assurance, transformational change, project management, risk, commercial, and digital consultancy. Prior to joining Crossrail, he held senior positions at HKA, AECOM, and Turner & Townsend. He holds a BEng in Civil Engineering and is a Member of the Institution of Civil Engineers.

Marcial Echenique

Canning House Trustee & Fellow of the Institution of Civil Engineers

Marcial Echenique has spent over 30 years in industry as a consultant engineer. He has worked on many major infrastructure projects here in the United Kingdom, Latin America and South East Asia. Brought up in Cambridge, Marcial completed his first degree at the University of Bath in Engineering. Marcial is a Chartered Engineer and has Masters in Business Administration. Marcial has lived in Chile, Peru and Venezuela working on metro and other infrastructure projects. He has participated in numerous UK Government missions to many countries in Latin America.

Matthew Furlong

Project Development Director - ERG International UK

Matthew is a Project Development Director at ERG International UK. He is a Chartered Engineer with a Masters in Mechanical Engineering from Imperial College London. He has been at ERG since 2019, working on the development and execution of several projects including the Ankara-Izmir High-Speed Rail Project. Prior to joining ERG Matthew spent nearly 10 years working for several EPC contractors across Europe in the energy and power industries.

Dirk Hoffman

Reefer Manager - DP World

Dirk is a results-driven professional with extensive experience leading complex shipping projects focused on perishable goods. He possesses a sophisticated understanding of all phases of contract management and has a proven track record of using innovative process improvement methodologies to increase productivity and efficiency. He is a skilled communicator and collaborator, providing guidance to project managers on contract management matters. He has held positions with DP World, Geest Line, Safmarine Southern Africa & Indian Ocean Islands, and Maersk.

Ian Jenkins

Director of Global Trade - Charles Kendal Freight

Ian is the Director of Global Trade at Charles Kendal Freight in London, with over 40 years of experience in logistics. He has held senior management and sales roles in the UK and USA, where he spent 15 years. Ian joined the CKF board of directors in 1998 and has led the company's global growth in air and sea freight. He works closely with multinational clients to deliver turnkey solutions, including risk assessments in volatile regions.

Ernesto López

Director General of Promotion Policies for Private Investment - Ministry of Economy and Finance of Peru

Ernesto has extensive experience in public and private sectors, specializing in transport economics, industrial development, and economic regulation. He holds a Bachelor's degree in Economics from the Pontificia Universidad Católica del Perú and a Master's degree in Economic Policy Management from Columbia University. Ernesto has also held key positions such as Former Acting Deputy Minister of Micro and Small Enterprises (MSEs) and Industry, Former Director General of Industry and Civil Aviation, and has 20 years of teaching experience.

Mark Menzies MP

The Prime Minister's Trade Envoy for Argentina, Chile, Colombia and Peru; MP for Fylde

Mark is the Conservative MP for Fylde, winning the seat for the fourth time in 2019 with an increased vote share and majority. He grew up in Ardrossan, attended the University of Glasgow, and worked in retail marketing prior to his political career. His main political priorities are international trade, UK energy security, supporting local business and ensuring a vibrant future for the defence industry within the UK. He serves as a Trade Envoy, in which capacity he is Head of the UK-Peru Joint Infrastructure Task Force, and is a member of the International Trade Select Committee.

Alfredo Mordezki

Director of Latin American Fixed Income - Santander Asset Management

Alfredo manages Latin American fixed income investments at Santander Asset Management. He has 25 years of financial experience, with a focus on Latin America's macro and credit markets. Mordezki holds an Economics degree and an MSc. in International Economics from Universidad de la República, Uruguay, and an MSc. in Economics and Finance from Universitat Pompeu Fabra, Barcelona.

Uzi Sezer

General Coordinator for Utilities and Water Solutions – ERG International UK

Uzi is the General Coordinator for Utilities and Water Solutions at ERG International Group. With over 27 years of experience as a founder, owner, board member, and CEO in major international companies, he has completed over 500 plants in 28 countries for water treatment, renewable energy, waste-to-energy, and large construction projects. Uzi holds an M.Sc. in Civil Engineering from Bosphorus University and is currently pursuing a Ph.D. in waste-to-energy technologies at the same university.

Richard Threlfall

Global Head of Infrastructure, Government and Healthcare – KPMG International

Richard is the Global Head of Infrastructure, Government, and Healthcare, which represents almost a quarter of KPMG's global revenues. With almost 30 years of experience, he advises both public and private sector clients in policy, governance, strategy, and financing in the UK and overseas. Richard is committed to supporting organizations in averting climate and social emergencies and achieving the UN Sustainable Development Goals for sustainable quality of life for all.
