NETWORKING RECEPTION

Speakers

Luz Abusaid

Head of Nature Climate Solutions Origination - BP

Luz is an NCS Originator in bp's Low Carbon Trading team, globally sourcing NCS projects and programs. Before bp, she consulted on various USAID projects in Colombia and Vietnam, including REDD+ initiatives, ecosystem restoration, and addressing illegal gold mining. Previously, Luz served as the Latin American Carbon Originator at BNP Paribas Carbon Desk, originating CDM projects across the region.

Erik Berg

Managing Director, Head of Debt Capital Markets for Latin America and the Caribbean - BancTrust & Co.

Erik has over 30 years of experience in senior capital markets roles in New York at Deutsche Bank, ING, ABN Amro, Standard Bank of South Africa, Commerzbank, and Natixis, responsible for debt origination across Latin America & the Caribbean. Mr. Berg is a graduate of Wesleyan University, Connecticut and holds an MBA from the IAE /Universidad Austral, Buenos Aires.

Benjamin Bierwith

Partner, Corporate Finance Group – Baker McKenzie

Benjamin, a New York qualified partner in the Firm's Corporate Finance group in London, specialises in leveraged finance and high yield bonds. He advises on a wide range of leveraged finance transactions, including high yield debt offerings, credit facilities, securities law matters, and restructuring. Benjamin played a pivotal role in Baker McKenzie's team, overseeing the Government of Ecuador's \$1.6 billion debt-for-nature swap, providing over \$300 million for marine conservation around the Galápagos Islands for the next 18 years.

Jeremy Browne

CEO - Canning House

From 2010 to 2012, Jeremy served as Minister of State for Latin America in the Foreign and Commonwealth Office. Since leaving elected office, Jeremy has served as the City of London Corporation's Special Representative to the EU, worked as an International Business Ambassador for Aberdeen Standard Investments (abrdn), and advised the environmental investment firm Renewity.

Silvina Bruggia

Director Sustainable Finance, Emerging Markets - LSEG Data & Analytics

Silvina is the Director of Emerging Markets at Refinitiv, an LSEG business, where she caters to client needs in Sustainable Finance and Investing. With a tenure since 2006, she has held various roles in products, content, sales, and marketing. Silvina actively contributes to emerging market capital development, advocates global sustainable finance best practices, and fosters ESG adoption in investment decisions. She's also dedicated to innovation and technology facilitating data access and connectivity.

Constance de Wavrin

Market Engagement Manager - Climate Bonds Initiative

Constance, who joined The Climate Bonds Initiative in September 2022, leads Market Engagement in Europe. She focuses on engaging financial stakeholders, including government and corporate issuers, investment banks, underwriters, asset managers, and owners, aligning with Climate Bonds' mission to mobilize the USD100+ trillion bond market for climate solutions. With 24 years of financial services experience, including roles at Goldman Sachs AM, Schroders IM, Fidelity Worldwide Investment, and Blackrock IM, Constance holds the Investment Management Certificate (2004) and the CFA ESG Investing Certificate (2022).

Claire Dorrian

Head of Sustainable Finance, Capital Markets and Post Trade - London Stock Exchange Group

Claire leads sustainable finance products and services at London Stock Exchange Group. She develops cross-asset sustainable offerings, guides ESG initiatives, and played a key role in launching LSEG's Voluntary Carbon Market. With a capital markets background, Claire previously worked for AIB Govett and ANZ. LSEG, at the core of global finance, supports the transition to a sustainable, net-zero economy and was the first to commit to net-zero emissions.

Jane Goodland

Group Head of Sustainability - London Stock Exchange Group

As Group Head of Sustainability at LSEG, Jane leads the global sustainability strategy. With over 25 years of experience in sustainable finance across asset management, investment consulting, wealth management, and financial market infrastructure, she's been a pioneer in responsible investment, building new capabilities in various market segments. Jane is also the co-founder and Chair of The Centre for Financial Capability, a nonprofit dedicated to financial literacy.

Dr Sandra Guzman Luna

Founder and General Director - Climate Finance Group for Latin America and the Caribbean (GFLAC)

Sandra is a seasoned expert in low-carbon development, climate finance, and energy transition, with 17 years of experience. She leads the Climate Finance Group for Latin America and the Caribbean, holds a PhD in Politics from the University of York, and has notable achievements, including participation in the Homeward Bound Project in Antarctica to document climate change impacts. She has been recognized as Intellectual of the Year by Marie Claire Magazine and selected as a global changemaker by the Chevening scholarships of the UK Government.

Juana Hernandez

Senior Policy Analyst - Trove Research

Juana is a Senior Policy Analyst at Trove Research, focusing on Latin American carbon markets, policy analysis, and climate commitments. With 8 years of policy expertise, she has worked on sustainable development in Colombia with government and UN collaborations. Juana holds degrees in Economics, Tax Law, and a Master's in Environment and Development from the London School of Economics.

Dr Harald Heubaum

Deputy Director of the Centre for Sustainable Finance, SOAS

Harald, an Associate Professor at SOAS University of London, specialises in global energy and climate policy. He chairs the SOAS Centre for Energy and Climate Policy, co-founded the Centre for Sustainable Finance, and serves as Deputy Academic Director for a network focused on climate resilience. He is an incoming UKRI Policy Fellow collaborating with Defra and the Climate Change Committee on the UK's Fourth Climate Change Risk Assessment (CCRA4).

Julia Hoggett

CEO - London Stock Exchange plc

Julia is the CEO of London Stock Exchange plc, since April 2021. Her background includes leadership roles at Bank of America Merrill Lynch and the Financial Conduct Authority. Julia has been recognised in various influential lists in the financial industry, such as Financial News' 100 Most Influential Women in Europe's Financial Markets. She is also a prominent speaker on Diversity and Inclusion in the City.

Elena Morettini

Global Head Sustainable Business - Globant

Elena is a Geoscientist with a PhD in Geochemistry, and the Global Head of Sustainable Business at Globant. She has contributed to shaping the European Scientific Area as Vice Chair for the Marie Skłodowska Curie Energy and Environment partnership programmes for over 10 years and is an Energy Transitions Advisor for several private and public organisations. In 2018, Elena coordinated the G20-B20 Taskforce on Energy, Resource Efficiency and Sustainability, with more than 130 companies from the energy industry.

Carlos Zapata Lui

Vice President - CarbonChain

Carlos, a decarbonization and resource industry expert, possesses over 20 years of leadership experience in sustainability, operations, and future materials across APAC, US, and LatAm regions. With a background in metals and mining, including a decade at Rio Tinto, he concentrated on energy transition and partnerships with land-connected communities. Currently, as Vice President for Australia and Asia at CarbonChain, Carlos is dedicated to advancing the APAC region's decarbonization efforts through a carbon accounting platform that enhances visibility into manufacturing and commodity trade supply chains.
